COMPACT GRAB 'N' GO AUTO LOCK RESCUE/HAUL SYSTEM

DBI-SALA offers a selection of pre-assembled rescue/haul kits through its Rollgliss® Technical Rescue Range designed for rescue, work and industrial access to suit a variety of applications and emergency scenarios.

RESCUEMATE™ AUTO LOCK HAUL KIT

8704103 | 4:1, 5m system

8705104 | 6:1, 10m System

Rollgliss® RescueMate™ Auto Lock Haul Kits are specifically designed for lifting, lowering personnel rescue and access operations. They provide an all round progress capture system when a combination of lightweight, strength and mobility are required.

The heavy duty kits are supplied pre-rigged and are ready to go straight from the bag for fast and efficient deployment in a matter of seconds. Simply attach to an anchor and go. Available in either 4:1 or 6:1 mechanical advantage. Each kit comes complete with all the necessary components ready for a variety of applications.

Rollgliss® RescueMate™ Auto Lock Haul Kits are certified as a system as provided by the manufacturer.

FEATURES

- Available in 4:1 or 6:1 mechanical advantage kits in a variety of system lengths, ideal for a wide variety of rescue and hauling operations
- Provides a safe and easy to operate hauling system, allowing rescue personnel and general workers easy access to difficult areas
- Unique Auto lock mechanism has the ability to be released without a separate tag line, provides ascent/descent control anywhere on the rope
- Built-in rope guides prevent overlapping, twisting and steadies the load during use.
- Twisted head unit for improved rope clearance with ascent/descent control
- Progress capture head ensures a positive lock on the haul line during raising operations
- Available in numerous system lengths to accommodate a variety of drops

RescueMate™ Auto Lock Haul Kits Include:

4:1 Auto Lock Haul Kits:

2 x Screw Gate Karabiners | 1 x Triple Sheave Progress Capture Head | 1 x Double Sheave Pulley | Kit Bag | Kernmantle Rope

6:1 Auto Lock Haul Kits:

2 x Screw Gate Karabiners | 1 x Triple Sheave Progress Capture Head | 1 x Triple Sheave Pulley | Kit Bag | Kernmantle Rope
