| Large | 653L4016 |
| Extra Large | 653XL4016 |

Feature & Benefits

- Large rear fall arrest rated spring loaded stand-up Tech-Lite™ aluminium D-rings for fast, easy and safe connections to fall protection system.
- Large fall arrest rated frontal Tech-Lite™ aluminium D-ring for work positioning or rescue.
- Tech-Lite™ aluminum D-rings are extremely lightweight for added security and comfort.
- Duo-Lok™ quick-connect buckles with memory-fit web-lock on legs, chest and waist for fast non-slipping connections ensuring an exact fit every time.
- Revolver™ vertical torso adjuster buckles make non-slip adjustment of shoulder straps fast and easy, eliminating loose ends and locking into place to prevent slippage.
- Waist belt with large side Tech-Lite™ aluminium D-rings for work positioning or pole strap use.
- Wide padded lower back/hip pad for added support and comfort.
- Padded work positioning/suspension seat with large stainless steel tanged pole D-rings (can be secured out of the way for unhindered climbing).
- Integrated rigid hip padding loops prevents equipment pouches from sagging and reduces webbing abrasion in vulnerable areas.
- REPEL™ Technology Webbing construction, repels liquids, naturally self-cleaning and enhances durability.
- Reflective material integrated onto legs, chest, shoulders and back for greater visibility in dark and dangerous environments.
- Rip stitch impact Indicator, allows the user to quickly and easily inspect the harness for impact loading.
- Integrated suspension trauma straps provide relief in a fall.
- Non-slip hybrid comfort padding on shoulders, back, leg and hip) provide a durable lightweight moisture wicking and breathable padding that won't move or slip, incorporating ultra soft edging that doesn't rub or chafe, keeping the wearer comfortable at all times.
- Moulded lanyard keepers easily accept larger hooks and break away to avoid a trip hazard.
- Easy grip end tabs and keepers for fast efficient and secure web adjustment.
- Fully adjustable, waist, shoulder and leg straps, for a perfect fit every time.
- Clearly labelled /identifiable attachment points.
- Labels conveniently located in a single location and safeguarded by a unique cover protecting vital information - donning instructions, harness data, inspection log, product certification and i-Safe™ tag.
- Colour coded sizing for easy identification.
- Built-in carrying pocket conveniently holds and protects a mobile phone, camera, MP3 player or other delicate items.
- Sub pelvic strap for added security.
- Superior "X" design wraps around the wearer for ultimate comfort and no-tangle security.
- Anti roll-out design – designed to minimise the risk of roll-out when connecting a DBI-SALA lanyard or SRL with either double locking hooks, Capital Safety patented trigger action hooks or karabiners to a large fall arrest rated D-ring.
- i-Safe™ enabled to track inspections, control inventory and manage information.
- Bonus harness storage backpack, packed in a hard wearing PVC backed moisture resistant nylon construction backpack with breathable woven side panels, ensures your ExoFit Nex™ harness is kept free from damage when not in use.
- Comfort guarantee - every ExoFit™ Nex harness is backed by our 30 day comfort guarantee, if you are not completely satisfied with your purchase return it within 30 days for a full refund.
- Available in Small, Medium, Large and Extra Large sizes.
- Certified and approved to AS/NZS 1891.1.

DBI-SALA harnesses are manufactured in a wide variety to suit your specific needs and applications, visit www.capitalsafety.com.au to view our entire range.
