

Honeywell Fall Arrest Harness

Product description

The Honeywell Fall Arrest Harness is suitable for any general working at height application.

The highly visible polyester webbing makes it easy to detect worker compliance.

It is a light-weight harness which makes it comfortable to wear all day long with minimal restriction to the wearer's movements.

FEATURES

- Frontal belay loops for fall arrest (must be used together).
- Large rear fall arrest d-ring.
- Push-through alloy steel buckles.
- Vest style makes it easy to don.
- Fully adjustable:
 - chest strap
 - shoulder
 - leg straps
- All attachment points are clearly labelled and define the attachment's application.
- Brightly coloured webbing enables the user to be easily identified whilst working at heights.
- Webbing has excellent UV resistant properties.

APPLICATIONS

- Construction & Maintenance
- Scaffolding
- Warehousing
- Roof work
- General working at height application

Technical Information

- Manufactured from heavy duty and light-weight 43mm polyester webbing.
- Hardware: zinc plated alloy steel
- Weight 1 kg

Standards

Certified to Australian and New Zealand Standard AS/NZS 1891.1 - 2007.
