

# Polyester Tower Worker Harness

## Product description

The ultimate Tower harness with multiple attachment points for maximum compatibility in various applications.

## FEATURES

- Dorsal dee with 300mm extension for fall arrest attachment.
- Frontal fall arrest loops (must be used together).
- Work positioning side dees for work with pole straps.
- Equipped with confined space loops.
- Vest style makes it easy to don.
- Equipped with a label pack, housing all relevant harness information including donning instructions, connection instructions, AS/NZS 1891.1 2007 certification and inspection grid. The label pack is also equipped with an oversized pull-free lanyard ring enabling the user to temporarily park the lanyard.
- Fully adjustable:
  - shoulder and leg straps.
- Fully adjustable waist belt and back pad offering greater back support and stability
- Built-in buttock pad for increased comfort when work positioning.
- All attachment points are clearly labelled and define the attachment's application.
- Brightly coloured webbing enables the user to be easily identified whilst working at heights.

## APPLICATIONS

- Tower work
- Ladder work
- Pole top
- Line workers
