ARG 80 SOLUTION LIGHT CLICK

GENERAL

Art. no.: G-AUS-0080-C-LI

E-class number: 40-02-01-02

EAN: 4030281161585

Customs no.: 63079098

Data sheet

ARG 80 SOLUTION LIGHT CLICK

An extremely functional rope access & rescue harness ideal for work in overhead cable construction & rotor blade maintenance work on wind power stations. A special stitching technique maintains the V shape of the harness to prevent chaffing in the neck area. Three equipment loops combined with metal tool loops for tool bag attachment compliment the ARG 80 harness. The ARG 80 Solution LIGHT click offers a narrower & more flexible back support compared to the ARG 80 Solution.

GENERAL

Internat. standard:	AS/NZS 1891.1:2007
---------------------	--------------------

FEATURES

Hand-washing:	40 °C
---------------	-------

Click buckles:	yes
----------------	-----
