

DON'T FALL FOR FALLING OBJECTS

DID YOU KNOW:

In 2019, falling objects killed as many workers as falls from height:

Falling objects account for thousands of serious injury claims every year:

17,665
Serious Injuries from Falling Objects (2013-2018)

14
PER DAY
Serious Injury Claims (2018)

Injuries from falling objects could limit your ability to work or even to walk:

SOURCE: Safe Work Australia, 2018.

37.9%
of Injuries from Falling Objects are to Upper Limbs

41.0%
of Injuries from Falling Objects are to Lower Limbs

SAFETY IS THE FIRST THING WE THINK OF, AND THE SECOND AND THE THIRD.
