

V-Line SRL Anchor

SafetyLink's NEW V-Line SRL Anchor provides easy access to reach new heights. The SafetyLink's V-Line SRL Anchor is a single point anchor designed to be installed on the rungs of a ladder as an attachment point for the Self Retracting Lanyard.

- Hot dip galvanised.
- For use with Tuff Bloc/SRL Anchor.
- The SRL Anchor is rated for 1 user per system.
- 1.2 metres in length, ensuring an easy to reach attachment.
- Pulley system at the top and bottom, creating easy access for top or bottom user.
- Complies with AS/NZS 5532, EN795 TYPE A and OSHA 1926.502 and 1910.140.

SafetyLink will provide you with the following:

- All products tested and manufactured to current standards.
- All distributors and installers are trained to use SafetyLink products.
- Supply installation guides, testing results and product sheets.
- Layout Design Service providing compliant roof safety systems.
- Supply a large range of roof anchors that protect you from the ground up, allowing complete access to your roof.
- Installers are qualified to do yearly inspections on your anchors as per current Standards.
