

MSA V-TEC® Mini Personal Fall Limiter

Impressive Innovation in a Compact Size

WE KNOW WHAT'S AT STAKE.

V-TEC Mini PFL

Compact and Versatile

The V-TEC Mini PFL is one of the most compact and lightweight self-retracting lanyards ever developed. The compact design focuses on performance without compromising comfort and productivity. Utilizing field-tested lightweight composites and metals, the V-TEC is one of the lightest PFLs on the market. Unit offers fall arrest and restraint for users 60 to 140 Kg (130-310 lbs) including tools.

Strong and Tested

The V-TEC Mini PFL is manufactured using a lightweight and highly durable polycarbonate clear casing, allowing for easy pre-use inspection of critical internal components. Unit can withstand temperatures ranging from -40° to +54°C.

Available Connectors

V-TEC Mini PFL offers an aluminum top carabiner and a variety of available connectors.
