

GRIPPS®

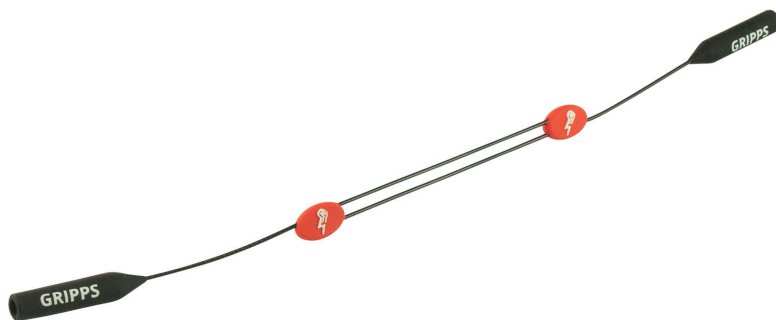

H10000 SAFETY GLASSES TETHER

Eye protection is crucial for industrial workers, and wearing appropriate eyewear is a must. When working at heights, the risk of accidentally knocking or dropping glasses increases significantly. A solution is the GRIPPS® Safety Glasses Tether - a lightweight solution designed specifically for industrial use.

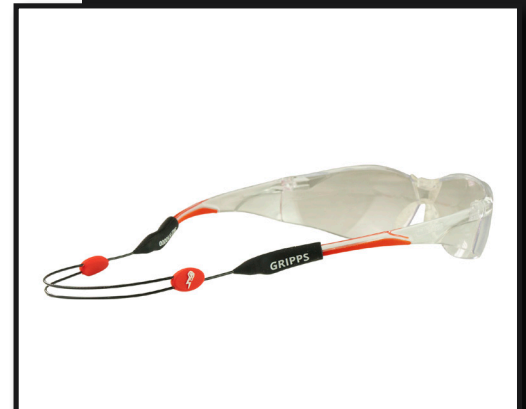

Featuring an adjustable design for neck comfort, these tethers also boast a robust slide-on mechanism, allowing them to securely attach to sunglasses, prescription glasses, or other personal protective eyewear.

Say goodbye to the worry of dropping your glasses with the practical and convenient GRIPPS® Safety Glasses Tether.

* Safety glasses not included.

KEY FEATURES

HOW TO USE

1

Slide the rubber endings of the safety glasses Tether onto the temple tips of your eyewear.

Ensure that both rubber ends are firmly secured.

2

Place eyewear and/or safety glasses tether on head. Adjust the safety glasses tether by sliding the two red central pieces to opposite sides.
