DATASHEET

ULTRABASKET STRETCHER

High-performance basket stretchers - Robust, comfortable and reliable. With an impressive 315 kg load capacity, they are perfect for demanding rescue situations. Made of high quality, impact resistant ASA/ABS plastic and a sturdy aluminum frame, they offer maximum robustness. The 40 mm thick mattress is easy to clean and the adjustable footrest provides additional comfort. The side handle cutouts allow for easy handling. Rely on our heavy-duty basket stretchers for a safe and effective rescue.

- Load capacity of 315 kg for demanding rescue situations.
- High-quality, impact-resistant ASA/ABS plastic with aluminum frame.
- Easy-to-clean 40 mm thick mattress, adjustable footrest and side handle cutouts for comfort and ease of use.
